

# TRASHY BLONDE

Statuesque fruity ale

You know  
you shouldn't

- At BrewDog we are selfish, we only brew beers that we want to drink.
- We are dedicated to making bold, full flavour and progressive craft beers - all with an innovative twist and customary BrewDog bite.
- All of our full flavour beers are made from fresh natural ingredients; we use no preservative, additives or pasteurisation.
- BrewDog beers are listed by Tesco, ASDA, Sainsbury's, Waitrose and are available in 27 Countries worldwide.
- www.brewdog.com receives over 350,000 hits per month.
- We have an army of over 7,000 craft beer loving Equity for Punks investors who all own part of our company.
- Punk IPA is the fastest growing alternative beer brand in the UK.
- BrewDog's beers are the epitome of pure punk. We brew uncompromising, bold and irreverent beer, beer with a soul and a purpose.

A titillating, neurotic, peroxide, punk of a pale ale. Combining attitude, style, substance and a little bit of low self esteem for good measure; what would your mother say.

You really should just leave it alone...but you just can't get the compulsive malt body and gorgeous dirty blonde colour out of your head. The seductive lure of the sassy passion fruit hop proves too much to resist. It is all wrapped up with the customary BrewDog bite and imaginative twist.

This trashy blonde is going to get you into a lot of trouble.
