TRASHY BLONDE

you know you shouldn't

A titillating, neurotic, peroxide, punk of a pale ale. Combining attitude, style substance and a little bit of low self esteem for good measure; what would your mother say?

You really should just leave it alone...

...but you just can't get the compulsive malt body and gorgeous dirty blonde colour out of your head. The seductive lure of the sassy passion fruit hop proves too much to resist. All that is even before we get onto the fact that there are no additives preservatives, pasteurization or strings attached.

All wrapped up with the customary Brewdog bite and imaginative twist. This trashy blonde is going to get you into a lot of trouble.
